EDS "Go Green" Family Night

Wednesday, March 24, 5:30 - 7:30 p.m.

Come and enjoy pizza with your family and learn about the environment. We have five confirmed guest speakers so far: Jason Barnes with Keep Calcasieu Beautiful will speak on the Anti-litter campaign and Wildflower Project; Marshall Simien will speak on the new park on the river, our public parks and bike trails; David Grubb will talk on energy efficiency for kids and adults; Joey Verret will speak on "The Woods"; and Team Green Rep will give an update on local programs. We will be accepting recyclables that evening, and we will be doing crafts with the kids and have guessing jars with prize drawings. We hope everyone will be able to come. We are working hard to make it worth your while.

We have attached another green Family Night reservation form. Please let us know if you will attend and how many so that we can order pizza.

Scout Pack Meeting

The Scout Pack meeting will be held on Thursday, March 18, at 5:30 in the Commons.

Thanks So Much!

We would like to thank Ann Broderick and Melissa Sims for the great snacks left this week for us to enjoy.

Parent Guild would like for us to remind those who have signed up for weekly snacks.

Those signed up for the week of March 15-19:

Lower School: open
PK4, K & MS: Heather Reddoch
PK2/3 - Stephanie Karpovs

Carnival T-Shirt Day

This Friday, March 12, is a carnival t-shirt day. Remember to bring your donation for the privilege.

Student Activities and Field Trips

The 6th grade is getting the can yard ready to plant cypress tree seeds on Friday. This project is with LSU Coastal Roots and this is our second year to participate. You can locate the website at www.lamer.lsu.edu, then click on Coastal Roots.

Middle School Math classes are celebrating Pi Week this week at EDS. (See article "Pi Week at EDS")

4-H Meeting

There will be a 4-H meeting this Friday, March 12, at 3:15. We will discuss participation in the EDS Go Green Night. Also, we will help to prepare materials to be used on Green Night. If you have any old towels or shirts, please bring them with you to the meeting so we can tear them into strips!!!

End of Third Quarter

Next Wednesday, March 17, is the end of the third quarter. A parent conference day is scheduled for Friday, March 26. Please schedule a conference with your child's teacher on this day. There will be No School that Friday.

Missed Assignments for Absent Students

This is a reminder for parents whose children are absent. Each family has the ability to go on EdLine in order to get your student's missed assignments.

ICCS Southwest Regional Chess Tournament Results

Saturday, March 6 was a busy day for Simar Chadha, Sarah and Michael Fibich, and Michael Aleshire. All four were participants in BOTH the Mighty Mu Math Tournament as well as the Southwest Regional Chess

Tournament. Simar took first place in the region and Michael Fibich placed 9th. Our largest group ever, turned out to compete along with them. There was Piper Gilmore, Matthew Aleshire, Philip Melton, William Condos, Chloe Camel, Aniese Kattash and Khourrum Qureshi.

The last tournament of the season will be here at EDS for the State Championship on Saturday, April 24. Please consider playing and we will need a lot of support from our families to help run the concessions and to help with registration. If you know of any St. Louis EDS alumnus who needs apostolic hours, please send them our way. Let's make this the best tournament ever!

No Annie Practice

There will be no "Annie" practice on Friday, March 26. This is a No School Day.

EDS Spring Book Fair

The spring book fair this year will open Friday, March 26, and will run through Thursday of the following week. It will be open on Parent Conference Day so plan to come by and look.

Cheerleader Tryouts

Tryouts for next year's cheerleaders will be held during the assembly next Monday, March 15.

Spring Pictures

We will not be taking individual spring pictures on Friday, March 19. We will rescheduled them for another day.

We will, however, take the sport pictures Friday, March 19, at 1:00.

LEAP Testing

Students currently in fourth and eighth grades who will be attending public schools next year will need to register for the LEAP test. We have application forms in the office for you to pick up. The deadline to turn in the LEAP applications to the Calcasieu Parish School Board is this Friday, March 12. Testing for private school students will be March 23.

Old Towels & T-Shirts Wanted

We are collecting clean, used towels and t-shirts for a "green" activity. They will be torn into strips, so they don't need to be in good shape...just clean! There will be a box in the commons.

Pi Week at EDS

Mrs. Denise LeBoeuf's Math classes will be celebrating the number Pi this week. Pi is a very important number in the world of mathematics, so it is only fitting that students take some time to study this number. The approximate value for Pi is 3.14, so the celebration is held on or around March 14 (3/14)!

Students will participate in various activities that will allow them to calculate the value for pi and use it in real life situations. They will watch a Pi video, listen to Pi books, sing Pi songs, recite Pi poems, and maybe even eat some Pi(e)! One of the best parts of the celebration is the Pi Party!

Students will be allowed to bring ROUND snacks as a tribute to Pi. Pi Day has become a highly anticipated tradition at EDS!

Mrs. D. LeBoeuf

First Annual Parent Guild Scavenger Hunt

Parents, mark your calendars for the 1st annual Parent Guild scavenger hunt on Friday, April 23. This is an outing only for our parents. You may now begin organizing your team. It will cost \$25 per person, which includes dinner. Babysitting service offered by J. Wesley Foundation for a minimal fee. Look for more information soon.

Wanted! 8th Grade Photos for Graduation!

Students are asked to turn in 5 photos of themselves (one infant, one toddler, one lower school, one middle school and one photo from this year) to Mrs. Grubb so that she can begin working on the graduation photostory. She would prefer if these photos could be given to her in digital format but she can scan original photos here at school. WARNING - She tries very hard to return all photos to students but her classroom has been known to eat a photo or two and students' lockers and book

sacks are notorious photo snackers also. To prevent damage to your pictures she would strongly suggest you scan them yourself and bring her a disk or jumpdrive; or even better, email them to her. All photos are due by March 31. Students are also asked to bring in group photos of their time at EDS (examples - pictures from field trips, class projects, with their teachers, sports photos, etc.) These photos should be in digital format if possible and there is no limit on the number turned in but not all photos will be used. Students will also be asked to bring in a song or two that they would like played at the graduation. Not all songs are used due to time constraints. Lyrics for all songs are subject to approval by Mrs. Grubb and Mrs. Kay. Songs are also due before the end of March.

Lost and Found

A silver necklace w/cross was found in carpool on Friday. Please come to the office to claim.
